

Planting Hope (MYLK) Provides Status Report of Annual Financial Statements and MD&A

CHICAGO, IL and VANCOUVER, BC / ACCESSWIRE / May 15, 2024 – [The Planting Hope Company Inc.](#) (TSXV: MYLK) (OTCQB: MYLKF) (FRA: J94) (“**Planting Hope**” or the “**Company**”) provides this bi-weekly default status report in accordance with the alternative information guidelines set out in National Policy 12-203 – *Management Cease Trade Orders* (“**NP 12-203**”).

The Company previously announced that it had been granted a management cease trade order (“**MCTO**”) by the British Columbia Securities Commission, as principal regulator, on the basis that the Company’s audited financial statements, management’s discussion and analysis, and related certifications for the fiscal year ended December 31, 2023 (the “**Annual Filings**”) would not be filed by the applicable filing deadline of April 29, 2024 (the “**Default Announcement**”). The Company announced that the MCTO was issued on May 1, 2024. The MCTO prohibits the Chief Executive Officer and Chief Financial Officer from all trading in securities of the Company until such time as the Annual Filings have been filed by the Company and the MCTO has been lifted. The MCTO does not affect the ability of other shareholders of the Company to trade in securities of the Company.

The Company and its auditors continue to work diligently toward completing the Annual Filings as soon as possible, and continues to expect that it will be in a position to file the Annual Filings on or before June 28, 2024.

The Company confirms that since the date of the Default Announcement: (i) other than as described above, there has been no material change to the information set out in the Default Announcement that has not been generally disclosed; (ii) there has been no failure by the Company in fulfilling its stated intentions with respect to satisfying the provisions of the alternative information guidelines set out in NP 12-203; (iii) there has not been any other specified default by the Company under NP 12-203; and (iv) there is no other material information concerning the affairs of the Company that has not been generally disclosed.

The Company confirms it will continue to satisfy the provisions of the alternative information guidelines set out in NP 12-203 so long as it remains in default of the requirement to file the Annual Filings.

During this period, the Company has also undertaken not to, directly or indirectly, issue or acquire securities from an insider or employee of the Company.
